Response to Notice of Allowability

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A review of the Notice of Allowability attached to the Notice of Allowance dated April 8, 2005, indicates that the certified copy of the priority document has not been received by the U.S. Patent Office. A review of counsel's application file, however, indicates that the certified priority document was in fact mailed to the U.S. Patent Office on June 26, 2003, and received by the Patent Office Mailroom on June 30, 2003, as evidenced by the return postcard (copy attached). In addition, the U.S. Patent Office PAIR system reflects that the certified priority document was imaged to the Patent Office file wrapper as shown on the attached copies of the Transmittal Form as well as the title page of the priority document itself. Based upon such evidence, counsel for Assignee believes that all requirements have been met to perfect the priority claim and requests that the patent be issued in due course.

If the Examiner wishes to discuss this further with the undersigned, he is invited to telephone the undersigned at 650-324-6303 (direct).

Respectfully submitted,

Mark D. Barrish, Reg. No. 36,443
